The SPEAKER. Is there objection to the request of the gentleman from Ohio?

## CANADIAN RIVER PROJECT PREPAYMENT ACT

Mr. THORNBERRY. Mr. Speaker, I ask unanimous consent that the Committee on Resources be discharged from further consideration of the bill (H.R. 3687) to authorize prepayment of amounts due under a water reclamation project contract for the Canadian River Project, Texas, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

Mr. SKAGGS. Mr. Speaker, reserving the right to object, and I do not intend to object, I yield to the gentleman from Texas for a brief explanation of the bill if he would be so kind.

Mr. THORNBERRY. I thank the gentleman for yielding.

Mr. Speaker, H.R. 3687 by myself authorizes prepayment of amounts due under a water reclamation project contract for the Canadian River Project in Texas and is cosponsored by the gentleman from Texas (Mr. STENHOLM) and the gentleman from Texas (Mr. COMBEST).

Mr. Speaker, I would first like to recognize Mr. Stenholm and Mr. Combest, cosponsors of this bill, for all their work in bringing this bill to the floor and in this matter generally over the past two years.

This bill does not authorize transfer of the title to any Government property. It is strictly a bill to authorize prepayment of a debt. Title transfer is already authorized by the original Project authorization act and by the repayment contract to take place automatically when the debt is paid.

H.R. 3687 has the support of all the affected or involved parties. There is bipartisan support for the bill and the Bureau of Reclamation representatives have stated that the bill has their support.

Passage of H.R. 3687 is badly needed during the current session of Congress. Further delay will cause the eleven cities which are members of CRMWA to suffer unnecessary hardship, especially if the current drought in Texas were to continue into next year. H.R. 3687 and the subsequent title transfer will clear the way for CRMWA to provide additional supplies which will prevent water shortages.

Over five hundred thousand people rely on water from the Canadian River Municipal Water Authority. This legislation will ensure that they have access to a safe, clean and abundant supply of water. I urge your support for this important legislation.

Mr. SKAGGS. Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

The Clerk read the bill, as follows:

H.R. 3687

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

## SECTION 1. PREPAYMENT OF CONTRACT FOR CANADIAN RIVER PROJECT, TEXAS.

(a) PREPAYMENT AUTHORIZED.—Prepayment of the amount due under Bureau of Reclamation contract number 14-06-500-485 for the Canadian River Project, Texas, may be made by tender of an appropriate discounted present value amount, as determined by the Secretary of the Interior.

**SPANISH PEAKS WILDERNESS ACT OF 1997**

Mr. THORNBERRY. Mr. Speaker, I ask unanimous consent for the immediate consideration in the House of the bill (H.R. 1865) to designate certain lands in the San Isabel National Forest, in Colorado, as the Spanish Peaks Wilderness.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

Mr. SKAGGS. Mr. Speaker, reserving the right to object, and I do not intend to object, especially since this is legislation of which I am the primary sponsor, but I did want to take a minute to explain this bill which would add to the National Wilderness System an area of some spectacular mountains in south central Colorado, really unique in their geology and their beauty and their habitat for some very important species of wildlife.

This area was not included in the 1993 Colorado Wilderness Act because there were still some unresolved issues involving use of inholdings. Those have been essentially resolved. I appreciate very much the action of the Committee on Resources in moving this bill through to the floor.

I also wish to express my thanks to my colleague and principal cosponsor on this legislation the gentleman from Colorado (Mr. MCINNIS).

Mr. Speaker, I withdraw my reservation of objection.
